

FEATURE

BENEFIT

Lifetime Limited Warranty on cabinets, hinges and drawer glides, cabinetry compliant with the rigorous KCMA Certification Program.

Norcraft Cabinetry® guarantees the quality and durability of their cabinetry. Component manufacturers stand behind their products, too.

Adjustable, 6-way, self-closing, concealed, **Quiet Close Hinges**. Standard on Full Overlay (upgrade option on Standard Overlay) door styles.

Doors operate smoothly and quietly, with a soft close action and adjust easily without remounting. Concealed hinges present a clean, finished look.

Four-sided plywood **drawer** box with self-aligning undermount drawer glides on Standard Overlay door styles.

Undermount glides provide easy access and a furniture style finish.

5/8" **Wood Dove Tail drawer** with full extension, undermount cushion close glide system. Standard on Full Overlay (upgrade option on Standard Overlay) door styles.

Drawers operate smoothly and quietly, with a soft close action.

3/4" adjustable wall **shelves** support 15 pounds/sq ft.

Optimal storage capacity on sturdy shelves that stay in place.

Durable, hand applied **finish** on wood doors, drawer fronts, and face frames.

Furniture-quality finishing process provides long-lasting beauty.

Cabinet exterior and interior features laminate **protection**.

Cabinets clean easily, resist household stains, and stand up to everyday use.

Concealed, high-density 3/8" x 3" wall cabinet **hanger rails** and base cabinet **stretchers**.

Hanger rails and stretchers provide ease of installation and are attached to the back of all cabinets for a clean interior.

More **standard** heights, widths and depths than most cabinetry manufacturers.

Our cabinetry fits your project, instead of adjusting your project to fit our cabinetry.

Construction **upgrades** include plywood sides or All Plywood box construction, as well as numerous size options.

Upgrade your cabinetry with affordable, solid wood construction. Specify the dimensions you need to fit your design.

Design Options® includes the addition of accessories, mouldings or organizational features.

Designing for today's lifestyle is easy with the vast array of options. Whether it is functional, fashionable or a combination of both, your needs can be met with affordable choices.
